

COACHING MEMBERSHIP APPLICATION FORM - 2020

You have to pay a coaching membership fee, or join the club as a general member, to undertake group or individual coaching at the Thrapston & District Tennis Club. The fee helps to cover the running costs of the club (such as heating, lighting, court maintenance etc) and is additional to coaching fees payable to R2R.

Coaching membership. Coaching membership entitles you to undergo group or individual coaching and to enter selective tournaments, all organised and run by R2R. Entry to the Club is restricted. The membership is valid for 1 year from the date of the first lesson.

General membership. General membership (covering families, couples and individual types of single memberships) entitles you to enter the Club via a key fob, book and play tennis in the daytime or under flood lighting, use of the Clubhouse recreational facilities and participation in matches and tournaments. See separate application form available on the website. For comparison, the cost of a junior membership is currently £40 + refundable cost of key fob (£8).
